Portfolio Construction

This Fund is a globally-diversified equity Fund designed for long-term investors who are willing to experience potentially increased short-term volatility. The Fund seeks to be broadly diversified across and within domestic, international and emerging markets asset classes. This Fund also seeks to capture the benefits of long-term global stock market appreciation.

Investment Philosophy

The StarPath Funds® investment philosophy is based on the following core beliefs for equity investing: Diversification reduces risk; Markets are efficient; Asset allocation is the key determinate of portfolio returns; Passive management is superior to active management; Asset class investing is superior to indexing. Rogers' core beliefs for fixed-income investing include: Invest in high-quality, investment grade fixed-income securities and Keep durations and maturities short to intermediate.
