Portfolio Construction

This Fund seeks to invest in thirty-eight countries, excluding the U.S. & Canada, through mutual funds that invest in both developed and emerging markets. Under normal circumstances, the Fund will invest up to 98% of its assets in equity mutual funds. The Fund will seek to diversify amongst all market capitalizations and styles, with the intention of gaining the potential benefits of investment opportunities outside the U.S. and Canada.

Investment Philosophy

The StarPath Funds® investment philosophy is based on the following core beliefs for equity investing: Diversification reduces risk; Markets are efficient; Asset allocation is the key determinate of portfolio returns; Passive management is superior to active management; Asset class investing is superior to indexing. Rogers' core beliefs for fixed-income investing include: Invest in high-quality, investment grade fixed-income securities and Keep durations and maturities short to intermediate.
